

## 2022 Power Appalachia Agenda

Appalachia Pipeliners Association along with Women's Energy Network (OH, GP, WV) presents our first inaugural Power Appalachia Symposium.

### October 16<sup>th</sup>, 2022

**5:30pm**      **Octoberfest Themed Networking Hour**

Featuring Kevin Solecki: Grammy Nominated Accordionist

### October 17<sup>th</sup>, 2022

**8 -8:30am**      **Registration**

**8:30am**      **Breakfast and Welcome from Chapter Vice Presidents**

**9am**      **Tri State Organizational Panel**

With a panelist from each chapter, learn about each organization's mission and focus along with how some of our board members became involved with their organization and what they have benefited and learned from serving on a non-profit board of directors.

**9:50am**      **Networking Break #1**

**10am**      **Regulatory Panel**

This panel will provide a regulatory and legislative update for the Appalachia region.

**11am**      **Environmental Social Governance (ESG) Panel**

Learn about the buzzword ESG and what it means for your industry. This session will explore the framework and successes with ESG in the energy industry.

**11:50am**      **Networking Break #2**

**12pm**      **Lunch and Featured Speaker**

Rusty Hutson Jr. Co-founder and CEO of Diversified will be joining us.

**12:50pm Keynote Speaker**

Micheal Dunn, Chief Operating Officer for Williams joins us from Tulsa.

**1:50pm Networking Break #3**

**2pm Supply Chain Panel**

Listen to how some companies have been able to sustain in these challenging times.

**2:50 pm Diversity & Inclusion Fireside Chat**

Join our panelist in this comfy setting as they discuss successes they have had at their companies with diversity and inclusion.

**3:50 pm Networking Break #4**

**4pm Leadership Speaker**

Join our closing speaker as they talk about everything you need to know to be a successful leader and improve your leadership skills.

**4:50pm Closing**
